

University of Bristol Riding Club Equality Statement

The Riding Club welcome ALL Bristol students and are committed to creating a strong atmosphere of equality and inclusiveness for its members. We offer individuals of all abilities the opportunity to benefit from time spent with horses. We are dedicated to communicating effectively with our members, and endeavour to listen to their views to continue to improve the club.

The Riding Club will take a stance against harassment and discrimination in all its forms, therefore making activities at Bristol SU fun and open for all.

Name: Mia Siniora (Equality and Inclusivity Officer for the Riding Club)
